ABOUT OUR COMPANY

A BRIEF STORY ABOUT THE COMPANY

Established in December 2024 in the heart of the Al Jubail Industrial Area, Saudi Arabia, **GULF POWER CONTRACTING EST.** was founded to drive the industrial and infrastructure growth of the Kingdom.

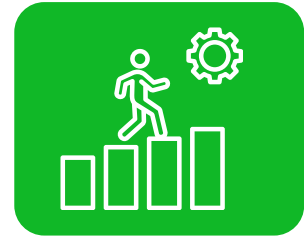

We are a premier provider of comprehensive manpower services and heavy equipment rental solutions, uniquely positioned to support the fast-paced, high-demand sectors of Al Jubail and beyond.

DELIVERING SKILLED MANPOWER AND
RELIABLE EQUIPMENT FOR EVERY
INDUSTRIAL PROJECT

VISION

To become a leading provider of workforce solutions and equipment services, driving industrial growth with reliability, safety, and excellence across the Kingdom.

MISSION

- 01** To provide reliable manpower and high-quality equipment solutions that ensure safe, efficient, and timely completion of industrial projects.
- 02** To support industrial growth by delivering skilled workforce and dependable equipment services built on integrity, safety, and excellence.
- 03** To empower clients with tailored workforce solutions and modern equipment, ensuring operational efficiency and long-term project success.

CORE VALUES

Our business is built on a foundation of trust, reliability, and excellence. We operate every day guided by two non-negotiable principles:

INTEGRITY

We believe in absolute transparency, ethical practices, and honoring our commitments. In every client interaction, we build relationships based on mutual respect and open communication.

SAFETY

In a high-risk industrial environment, safety is not just a policy—it is our culture. We enforce the highest safety standards for our personnel and meticulously maintain our equipment fleet to protect your workforce, your assets, and your peace of mind.

EXCELLENCE

We are committed to delivering the highest standards in every project we undertake. Through continuous improvement, skilled expertise, and attention to detail, we strive to exceed client expectations and ensure consistent, high-quality results.

INDUSTRIAL STRENGTH YOU NEED

BUILT ON TRUST ALWAYS

WHY CHOOSE US?

EXCELLENCE YOU CAN TRUST

Situated in Al Jubail Industrial Area, we understand the local market dynamics and the rigorous standards required by major industrial players. We are committed to empowering your business with the right people and the right tools, helping Saudi Arabia build a bolder, brighter future.

TRUSTED INDUSTRY EXPERTISE

We deliver reliable manpower and equipment solutions backed by strong industry experience and knowledge.

SKILLED WORKFORCE SOLUTIONS

Our trained workforce ensures efficiency, productivity, and consistent high-quality performance across all projects.

RELIABLE EQUIPMENT SERVICES

We provide well-maintained equipment ensuring smooth operations and uninterrupted progress in all environments.

COMMITMENT TO SAFETY & QUALITY

We strictly follow safety standards and quality practices to protect people, assets, and operations.

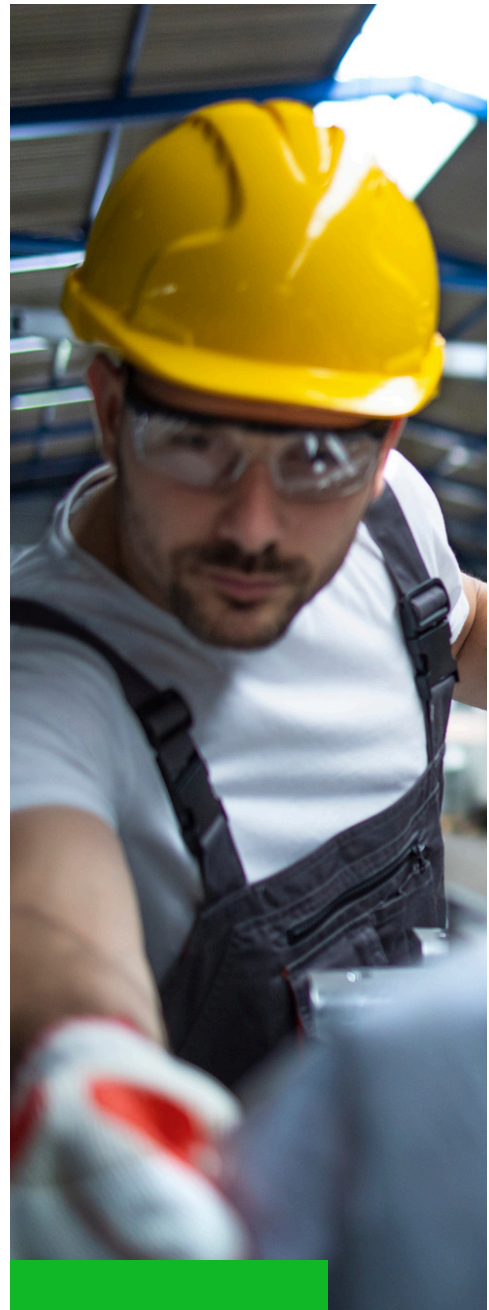

ARAMCO APPROVED CATEGORIES

ARAMCO APPROVED WORKFORCE PROVIDER

We are proudly ARAMCO approved, delivering certified manpower solutions that meet strict industry standards.

Our workforce ensures safety, reliability, and compliance, supporting critical industrial operations with professionalism, expertise, and consistent performance across demanding oil, gas, and construction environments in Saudi Arabia.

- RIGGER 1
- RIGGER 2
- RIGGER 3
- SCAFFOLDING INSPECTOR
- SCAFFOLDING SUPERVISOR SS1
- SAFETY OFFICER
- SAFETY SUPERVISOR
- WORK PERMIT RECEIVER

ARAMCO APPROVED CATEGORIES

1. RIGGER 1

Rigger 1 professionals handle advanced lifting operations, ensuring safe rigging, load balancing, and crane coordination in high-risk industrial environments. They are highly trained to manage complex lifting tasks, follow strict safety procedures, and support critical construction and maintenance activities with precision and responsibility.

2. RIGGER 2

Rigger 2 specialists assist in lifting operations, supporting rigging activities under supervision. They ensure proper handling of equipment, follow safety protocols, and contribute to smooth coordination of lifting tasks in industrial and construction environments with accuracy and discipline.

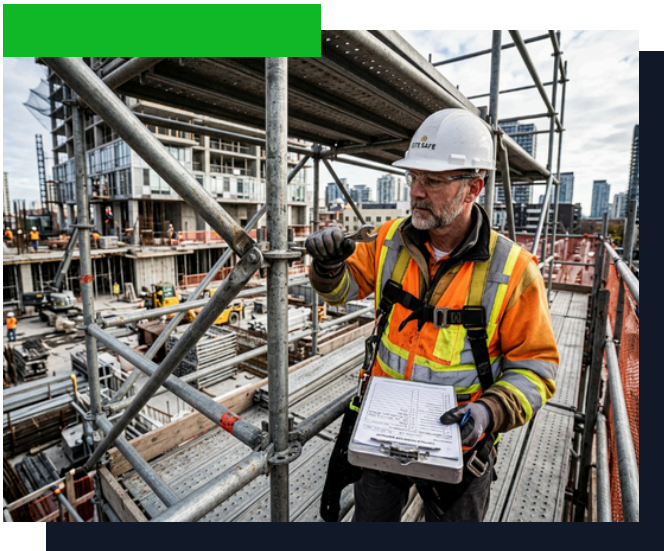

ARAMCO APPROVED CATEGORIES

3. RIGGER 3

Rigger 3 personnel perform basic rigging duties, supporting lifting operations by preparing materials, securing loads, and assisting senior riggers. They follow instructions carefully while maintaining safety standards in industrial sites and construction projects.

4. SCAFFOLDING INSPECTOR

Scaffolding Inspectors ensure all scaffolding structures meet strict safety and engineering standards. They inspect installations, identify hazards, and approve safe usage, ensuring compliance with regulations to protect workers and maintain safe working environments in industrial projects.

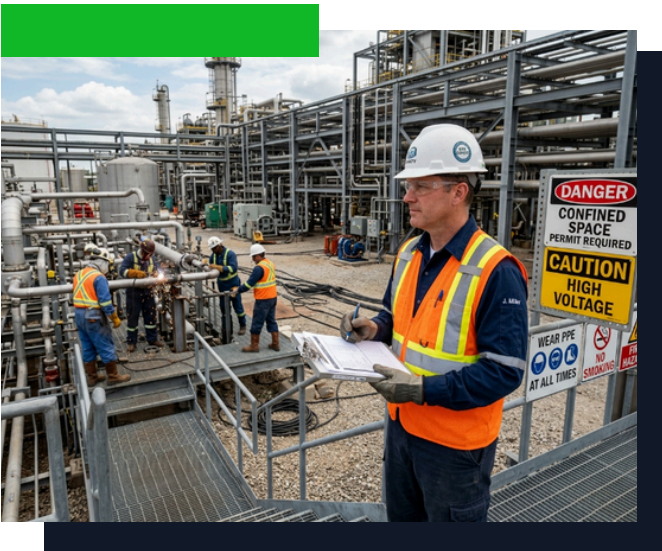

ARAMCO APPROVED CATEGORIES

5. SCAFFOLDING SUPERVISOR (SS1)

Scaffolding Supervisors SS1 oversee scaffolding erection and dismantling operations, ensuring compliance with safety standards. They coordinate teams, monitor progress, and guarantee structural integrity while maintaining strict adherence to industrial safety regulations.

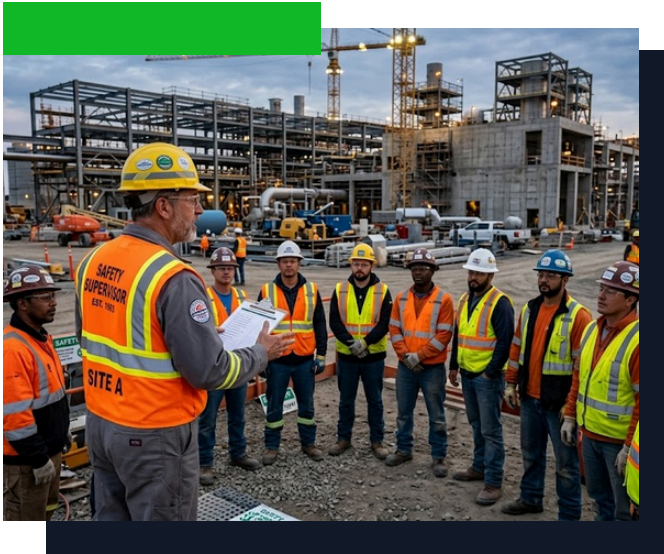

6. SAFETY OFFICER

Safety Officers monitor workplace conditions, enforce safety regulations, and conduct inspections to minimize risks. They ensure compliance with safety standards, train workers, and maintain a secure environment across industrial sites and operational areas.

ARAMCO APPROVED CATEGORIES

7. SAFETY SUPERVISOR

Safety Supervisors lead safety teams, enforce compliance protocols, and oversee risk management activities. They ensure all operations follow strict safety guidelines, conduct training, and maintain a culture of safety across industrial and construction projects.

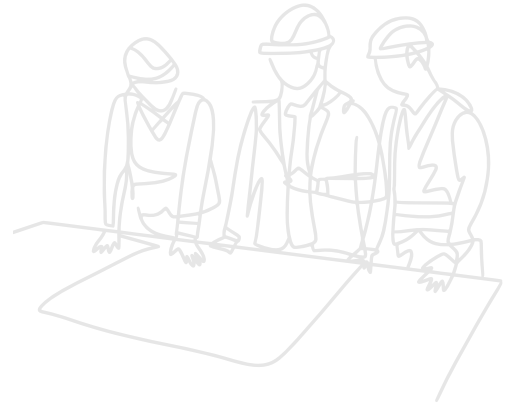

8. WORK PERMIT RECEIVER

Work Permit Receivers ensure all industrial work activities are properly authorized through permit systems. They verify safety requirements, coordinate approvals, and ensure compliance before work begins, maintaining safe and controlled operations in hazardous environments.

OUR CERTIFICATIONS

Saudi Aramco E-Reference No. 0013672

Registration Approval Letter

July 18, 2025

Attention : GULF POWER GENERAL CONTRACTING EST.

CR Number : 2055157867

Supplier Type: Service Provider Only

Country : Saudi Arabia

We are pleased to inform you that GULF POWER GENERAL CONTRACTING EST. is now registered in the Saudi Aramco Supplier Management System under Vendor Code No. 10116094, provided your company continues to meet all relevant Saudi Arabian and Saudi Aramco standards.

This registration, however, should not be construed as a commitment by Saudi Aramco to procure from you. Being registered as a supplier only grants your company the opportunity, along with other registered sources, to respond to requests for submitting proposals in accordance with Saudi Aramco's established policies and procedures. All procurement instruments including but not limited to service contracts, purchase agreements, or purchase orders will be issued based on the name and address included in your commercial registration (CR), as stated in your Supplier Registration.

Saudi Aramco wishes to remind you that being recognized as a supplier carries with it serious obligations and responsibilities to act in a legal and ethical manner. We wish to remind you of the Saudi Aramco Supplier Code of Conduct (SCOC) which you acknowledged. Failure to abide by the principles set forth in the SCOC can result in adverse actions being taken by Saudi Aramco against you including suspension of you as a supplier. Saudi Aramco also expects each of its suppliers to satisfy each of the requirements of any procurement instrument which might be placed and to act responsibly and reliably as a supply chain supplier.

Material Suppliers should apply for Saudi Aramco Supplier Portal access by forwarding a request to portal-registration@aramco.com. The Supplier Portal is the main electronic business tool used between Saudi Aramco and its suppliers and serves to improve the flow and accuracy of key supply chain information.

For further information or assistance please contact the Saudi Aramco Supplier Help Desk by forwarding a request to SupplierHelpDesk@aramco.com or via the unified call center 800-116-1168 for In-Kingdom suppliers or +966 (11) 290-8950 for Out-of-Kingdom suppliers.

Faisal Hamad Al Dossary, Supervisor
Supplier Registration Unit
Supplier Relationship Management Div

It is the responsibility of the supplier to update Saudi Aramco Supplier Registration Profile through Ariba for the following:

1. Change of Name / Commercial Registration Number / Address / Owner(s)
2. Any change of the supplier location
3. Discontinue supply of approved commodities (9COMs and 9CATS)

This is an electronically generated letter by Saudi Aramco. To verify Supplier approval status, please contact Supplier Help Desk at supplierhelpdesk@aramco.com

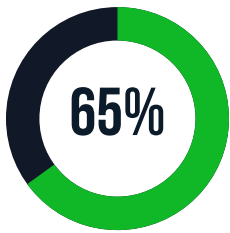

TARGET MARKETS

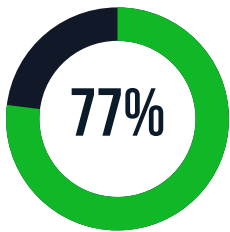

We serve major industries across Saudi Arabia by delivering reliable manpower and equipment solutions. Our services ensure safety, efficiency, and excellence in oil, gas, construction, and industrial projects nationwide with professional expertise and commitment.

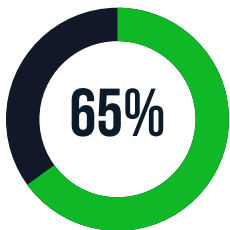

OIL & GAS INDUSTRY

We serve the oil & gas sector with skilled manpower and reliable equipment, ensuring safe operations, operational efficiency, and strict compliance with industrial standards in high-risk environments.

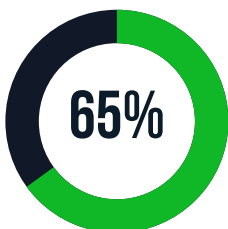

CONSTRUCTION & INFRASTRUCTURE

We support construction and infrastructure projects by providing expert workforce and heavy equipment solutions that ensure timely execution, structural quality, and cost-effective project delivery.

PETROCHEMICAL & REFINERY

Our services support petrochemical plants and refinery operations with trained personnel and equipment, ensuring safety, precision, and uninterrupted industrial processing in demanding environments.

INDUSTRIAL MAINTENANCE & SHUTDOWN

We provide specialized manpower for maintenance and shutdown activities, ensuring quick turnaround, reduced downtime, and safe execution of critical industrial operations.

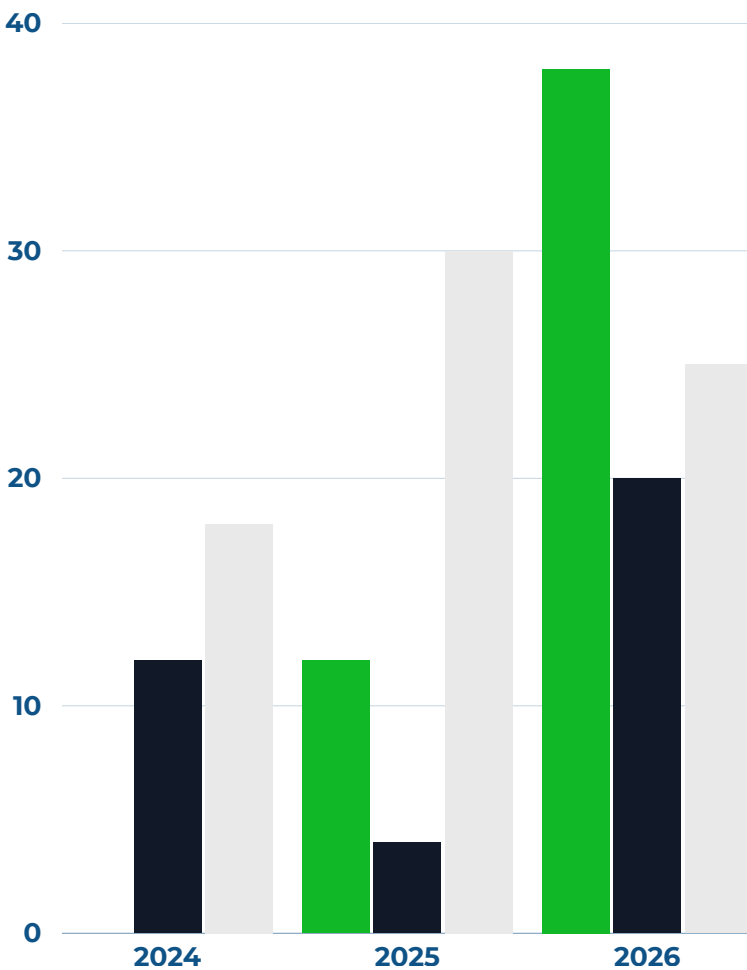

COMPANY TRACTION
